INCLEMENT WEATHER

A decision has been taken to cancel all the Ladies Cup games scheduled for Saturday 3 March. These games will now be played on Saturday 17 March with all subsequent rounds been moved back a week. It is hoped that all clubs scheduled to host a match will make every effort to make their stadium available on the revised date. The Team championship games scheduled for Sunday 4 March will be dealt with on an individual basis. **The GENTS LEAGUE FINAL has been postponed further details later**
