

PVG Member Responsibilities

It is the responsibility of each person holding membership of the Protection of Vulnerable Groups (PVG) to notify them of changes relating to their membership.

If your membership is through a bowling club/SIBA, you are required to notify Disclosure Services when you cease to hold that role. This will then allow the link between you and the bowling club/SIBA to be removed.

Please contact the SIBA safeguarding officer if you have wish further clarification on this matter.
